delegates of Weber county for the state business district, and particularly in favor onvention, the county central committee of cluster lights, has been given added impetus by the announcement of Superit

impetus by the announcement of Superintendent Joseph fialley of the Orden Ranid Transit company, who declares that his company would be pleased to negotiate with the city in the project.

His plan is to replace the present trolley poles in the center of the business district streets with ornamental from poles at the sidewalk line, the city to use the poles for clusters of lights and the traction company to use them as trolley supports. The traction superintendent says that this is the plan followed in many cities and that it would not only add to the effect by means of better highling, but would solve the problem of abundoning the poles in the middle of the streets and avenues.

The matter is to be brought to the effectal fotice of the city commission at its next meeting.

JUDGMENT AGAINST NEWHOUSE REDUCED

In an opinion handed down by the state supreme court yesterday, judgments of the lower court against Samuel Newhouse aggregating \$5683.32 are reduced to \$2250, with interest. The opinion includes three cases, which were considered as a whole and involved a contract made by Newhouse in January, 1909, for the purchase of \$50,000 shares of stock in the Commercial Mining company of Oregon.

F. J. Lichenberger, E. E. Howson and Werner Zeigler and Auguste Mathez, who are interested with Newhouse in the contract, brought suit against him for not carrying out the provisions of the contract, and the lower court gave judgments as follows For Lichenberger, \$2084,76; for Howson and Werner, \$2095, 60; for Mathez, \$1541.17.

The opinion of the supreme court reduces these judgments to \$750 and interest for each of the three plaintiffs in the suits. In an opinion handed down by the state

TOWN OF WENDOVER ORDERED TO CLEAN UP

C. F. Emery, state sanitary inspector, returned yesterday from Wendover, where he ordered a general "cleanup" of the town. The investigation of the conditions at Wendover was made as a result of numerous complaints which have been received by the state board of health from citizens of the town, who protested against the practice of certain parties of throwing garbage into the street. Mr. Emery said that all offenders had promised to strictly obey the orders of the board.
